Monsieur le Docteur Lee TALBOT
Smithsonian Institute
WASHINGTON D.C.
U.S.A.

Dear Lee,

Please, you will find here a copy of the letter I
sent to-day to H.COOLIDGE.

Situation is very depressing in Zaïre :

- departure of technicians
- end of the strict nature preservation
- what to do with Belgian technicians, myself included ?

My best wishes to your wife

Very sincerely yours

Dr. J.VERSCHUREN.
